

**30th YEAR !**  
**2008 - 2009 SCHEDULE**  
**September 4, 2008 - June 21, 2009**

51 South Street  
 Morristown, N.J., 07960

Since we are now able to put so much information on our web site [www.worhtyrrellstudios.com](http://www.worhtyrrellstudios.com) we've eliminated sending out full brochures and are mailing you this brief outline of courses and prices along with a registration form. If you don't have access to the internet, we'd be happy to mail you a printed copy of any information you'd like to see, although there are so many pages it would be impractical to copy and mail them all.

Open House/Registration Day is September 3 this year, although you are welcome to register for classes by mail or at any time in the Studios office. *(Please call for office hours if you'd like to drop by.)*
