

3rd YEAR !
2011 - 2012 SCHEDULE
October 3, 2011 - June 24, 2012

51 South Street
 Morristown, N.J., 07960

Since we are now able to put so much information on our web site www.worhtyrrellstudios.com we've eliminated sending out full brochures and are mailing you this brief outline of courses and prices along with a registration form. If you don't have access to the internet, we'd be happy to mail you a printed copy of any information you'd like to see, although there are so many pages it would be impractical to copy and mail them all.

Unfortunately we have to open late this year, Oct. 3, due to renovations to the building. The resulting Winter session will only be 9 months long, October to June, with no Open House/Registration Day this year. Please register using the mail-in form below.
